

Freelance   
OUTDOOR SUPPORT VEHICLE

True North - Go Find Yours!

Within each of us is a primal urge to escape the day-to-day routine and journey beyond the horizon. Whether it's mountain biking, kayaking, rock climbing, or trail running, our desires are the same; to find our true nature by pushing our physical and mental limits.

We understand your call to the outdoors because we hear it too. Nestled at the foot of the Eagle Cap Wilderness, Northwood Manufacturing employs virtually every variety of outdoor athlete.

...and because we know outdoor sports, we take great pride in introducing the **TRUE NORTH** Outdoor Support Vehicle (OSV), designed specifically to support all your outdoor pursuits.

Our Flagship Model, **The Freelance**, is highly customizable, designed to suit your ever-changing expedition requirements. The Freelance OSV is your base camp equivalent to a multi-tool on wheels! This is not a modified travel trailer, but an original design targeting complete utility with attention given to every square inch of available space. All True North OSV's are built to be nimble yet uncompromisingly rugged, like the athlete it supports. With your active lifestyle in mind, the Freelance is ready and waiting for you to set course at a moment's notice and improvise when the conditions dictate. That's true independence! Where the paved road ends, the Freelance thrives. Capable of carrying 2/3 its own weight in cargo and gear, the Freelance is the ultimate workhorse. Northwood built its reputation on rugged off road towables and after consulting

with people like you, we have created the toughest, most versatile support vehicle on the market today, The **TRUE NORTH** Freelance.

Choose from one of these 3 option packages...

- 1.) The **Base Camp Pack**: Equipped with all the features you need to get you going now!
- 2.) The **Ascent Pack**: With Accessories and features for more specific outdoor lifestyle requirements.
- 3.) The **Summit Pack**: The ultimate outdoor vehicle, including custom aluminum wheels, self-contained, rack-mounted awning and lots of additional options.

Do you hear the horizon calling you? Escape the routine, embrace the outdoors on a personal level and challenge yourself. Go find your 'True North' and find the 'True You'!
