What is Snow River 'Rugged Lite' Construction?

All The Strength,
Without The Weight.

- Northwood Built, 3rd Party Independently Tested & Certified, Structural Steel Off-Road Chassis.
- Heavy Duty Axles w/ Larger Wheels & Brakes for Clearance, Load Capacity & Stopping Power.
- Fully Welded Heavy Gauge Aluminum Super Structure.
- Multi-layer Laminated Walls over High Density Block Foam Insulation.
- Corona Treated Continuous One-Piece Outer Fiberglass Skin.
- Tongue & Groove Plywood Sub Floor (not chipboard).
- Double Arched Roof Trusses Bonded to Plywood Decking.

We build it RUGGED and we keep it LITE for ease of towing and fuel efficiency.
Every Snow River posts its finished weight right at the entry door for your 'Rugged Lite' assurance.
